

2021-2022 TREASURELAND SCRIPTURE REWARDS GAME

Important Parent Information

Q: What is the Scripture Rewards Game?

A: The Treasureland Scripture Rewards Game is an incentive-based game we play in Treasureland to encourage kids to memorize Scripture.

Q: How does it work?

A: Kindergarten through Fifth Grade kids memorize simple Bible verses which relate to what they are learning about in class. Every time they come to Treasureland they are given the opportunity to recite any of the Bible verses they have memorized. Each time a verse is recited from memory, one point is awarded to their SCRIPTURE REWARDS CARD. The same memorized verses can be recited every week throughout the year (the kids see this weekly repetition as a way to rack up more points, but we see it as a way to help them remember valuable Scripture verses for life!).

Twice during the school year, the WOODRIDGE STORE is open for business. Your kids will not want to miss these important weekends because this is when they can use the points they have earned memorizing Scripture to buy cool new toys, trinkets, candy, and Target gift cards.

The Woodridge Store Dates are:

**December 11 & 12, 2021
and
May 14 & 15, 2022**

Q: Which Bible verses do they memorize?

A: The Bible verses they memorize can be found online at the Woodridge website <http://www.woodridgechurch.com/ministries/elementary/>, or for those who would prefer a hard copy, look for a stack of YELLOW-colored sheets at the Treasureland check-in area (NOTE: This sheet will be updated twice during the year with new Bible verses as we receive them from our teaching curriculum provider.

Also, some kids love the **extra challenge** of earning the **50-Bonus Point Award** by memorizing harder verses. The bonus point verses can also be found online or on the BLUE-colored sheets at the Treasureland check-in area.
